

Enter the SMRP Foundation logo contest and

Win an iPad or Kindle!!

Last year, the organizational structure of SMRP was changed to better address the needs of its membership. SMRP was organized into the familiar Society and a new organization, the Foundation, was also established. Establishing the Foundation will provide a premier educational and research organization that will serve the maintenance and reliability practitioner, providing access to educational opportunities, grants and scholarships.

Now the Board of Trustees for the Foundation is working to develop a logo and tag line for our new Foundation. It's time to get our members involved - and our Trustees want to hear from you! We're holding a member-wide contest for the best logo and tag line combination – so send us your best! The winner will be eligible for their choice of a Kindle or iPad!! Entries are due by **9/15/2010** and should be submitted to info@smrp.org. The winner will be announced at the 18th Annual Conference in Milwaukee.

If you have questions, any one of the Foundation Trustees would be happy to hear from you:

SMRP Foundation Mission

To cultivate the development of Maintenance and Reliability (M&R) professionals and advance the M&R body of knowledge through education, research and resource expansion.

Who We Are

SMRP is an independent, professional organization consisting of a 501(c)(6) not-for-profit Society and a 501(c)(3) tax-exempt Foundation, formed by practitioners, for practitioners. SMRP is dedicated to instilling excellence in M&R in all types of manufacturing and service organizations, and in promoting M&R excellence worldwide.
